TYPE: AMARO (BITTER)

ALCOOL CONTENT: 40% BY VOL

BOTTLE VOL.: 700 ml / 750 ml

BEST SERVING TEMPERATURE: 16/18° C

## DESCRIPTION:

Reset is an "Amaro Amaro" a "Bitter Bitter" like the name evokes its predominant ability to reset and bring the palate back to an initial state of natural cleanliness and balance

The bitter is obtained from the infusion of selected botanicals mainly from the Mediterranean region. These recall the scents of the island scrub and the Sicilian seas where it is produced. Among the main ingredients we find: fennel, rosemary, orange peel and laurel leaf. A presence of red cinchona gives to Reset a pleasant digestive component

## ORGANOLEPTIC CHARACTERISTICS

Intense orange color with greenish reflections

pleasant scent that recalls the primary smells of the Sicilian islands countryside and predominant floral and orange olfactory note with numerous spicy nuances.

Strong and clean taste, vertical entrance to the palate with a salty finish, pleasantly "resetting"

## CONSUMPTION ADVICE

RESET can be served as an absolute digestive at the end of a meal, given the total absence of sugars, it favors digestive activity with or without ice, also ideal in mixology

**NO SUGAR / NO SWEETENERS / NO COLOURING MATTERS / NO SYNTETICS ADDITIVES**
